

Somfy's curtain motorisation enhances your home and lifestyle with smart technology that blends seamlessly into any interior design scheme.

Somfy Smart Curtains protect your privacy and provide you maximum indoor comfort at all times without having to think about it. Make your life more comfortable and convenient, at home or away.

Our solutions are ideal for all areas in your home, particularly suitable for hard-to-reach windows, such as high ceiling and deep-sill windows.

About Somfy

Somfy's leading smart management solutions for homes and buildings have been improving people's daily lives for over 50 years. Developed with comfort, ease of use, security and sustainability in mind, our innovations automate and connect curtains, blinds, rolling shutters, gates and garage doors, lighting and heating, alarms systems and more. We are committed to creating useful solutions that are accessible to all, designed for today and beyond.
