

Enjoy a better way of living  
and true peace of mind with  
the new Somfy WireFree range.

Designed to fit all kinds of blinds  
and curtains, and all windows.  
This next generation of technology  
opens up possibilities for sleek style,  
easy living and home comfort.

Free from the barriers that limit  
your creativity, be more inspired,  
more in control and more connected.

**About Somfy**

Somfy's leading smart management solutions for homes and buildings have been improving people's daily lives for over 50 years. Developed with comfort, ease of use, security and sustainability in mind, our innovations automate and connect rolling shutters, curtains and blinds, gates and garage doors, lighting and heating, alarms systems and more. We are committed to creating useful solutions that are accessible to all, designed for today and beyond.

# WireFree™ Freedom to create

Open up to unlimited possibilities. Inspire your life and home with elegance and innovation. This advanced wireless technology is the next generation of easy living and accessible home comfort solutions.

- The freedom of WireFree motorisation unlocks incredible choice for your blinds and curtains for all your windows.

- Benefit from clean and easy installation: there's no need for domestic wiring.
- The sleek designs will blend seamlessly into your décor.

# Freedom to relax

Unwind, relax and delight in the next level of comfort and well-being.

- Optimise your space and ambience by controlling natural light and room temperature, at a touch. Play with different moods and protect your privacy.
- WireFree motorisation means no hanging cords, so you're free to take it easy in a child-friendly and pet-safe setting.
- And with silent running, you can enjoy perfect peace and quiet, with discreet, unobtrusive technology.

Long-life rechargeable batteries  
Child- and pet-safe: no hanging cords

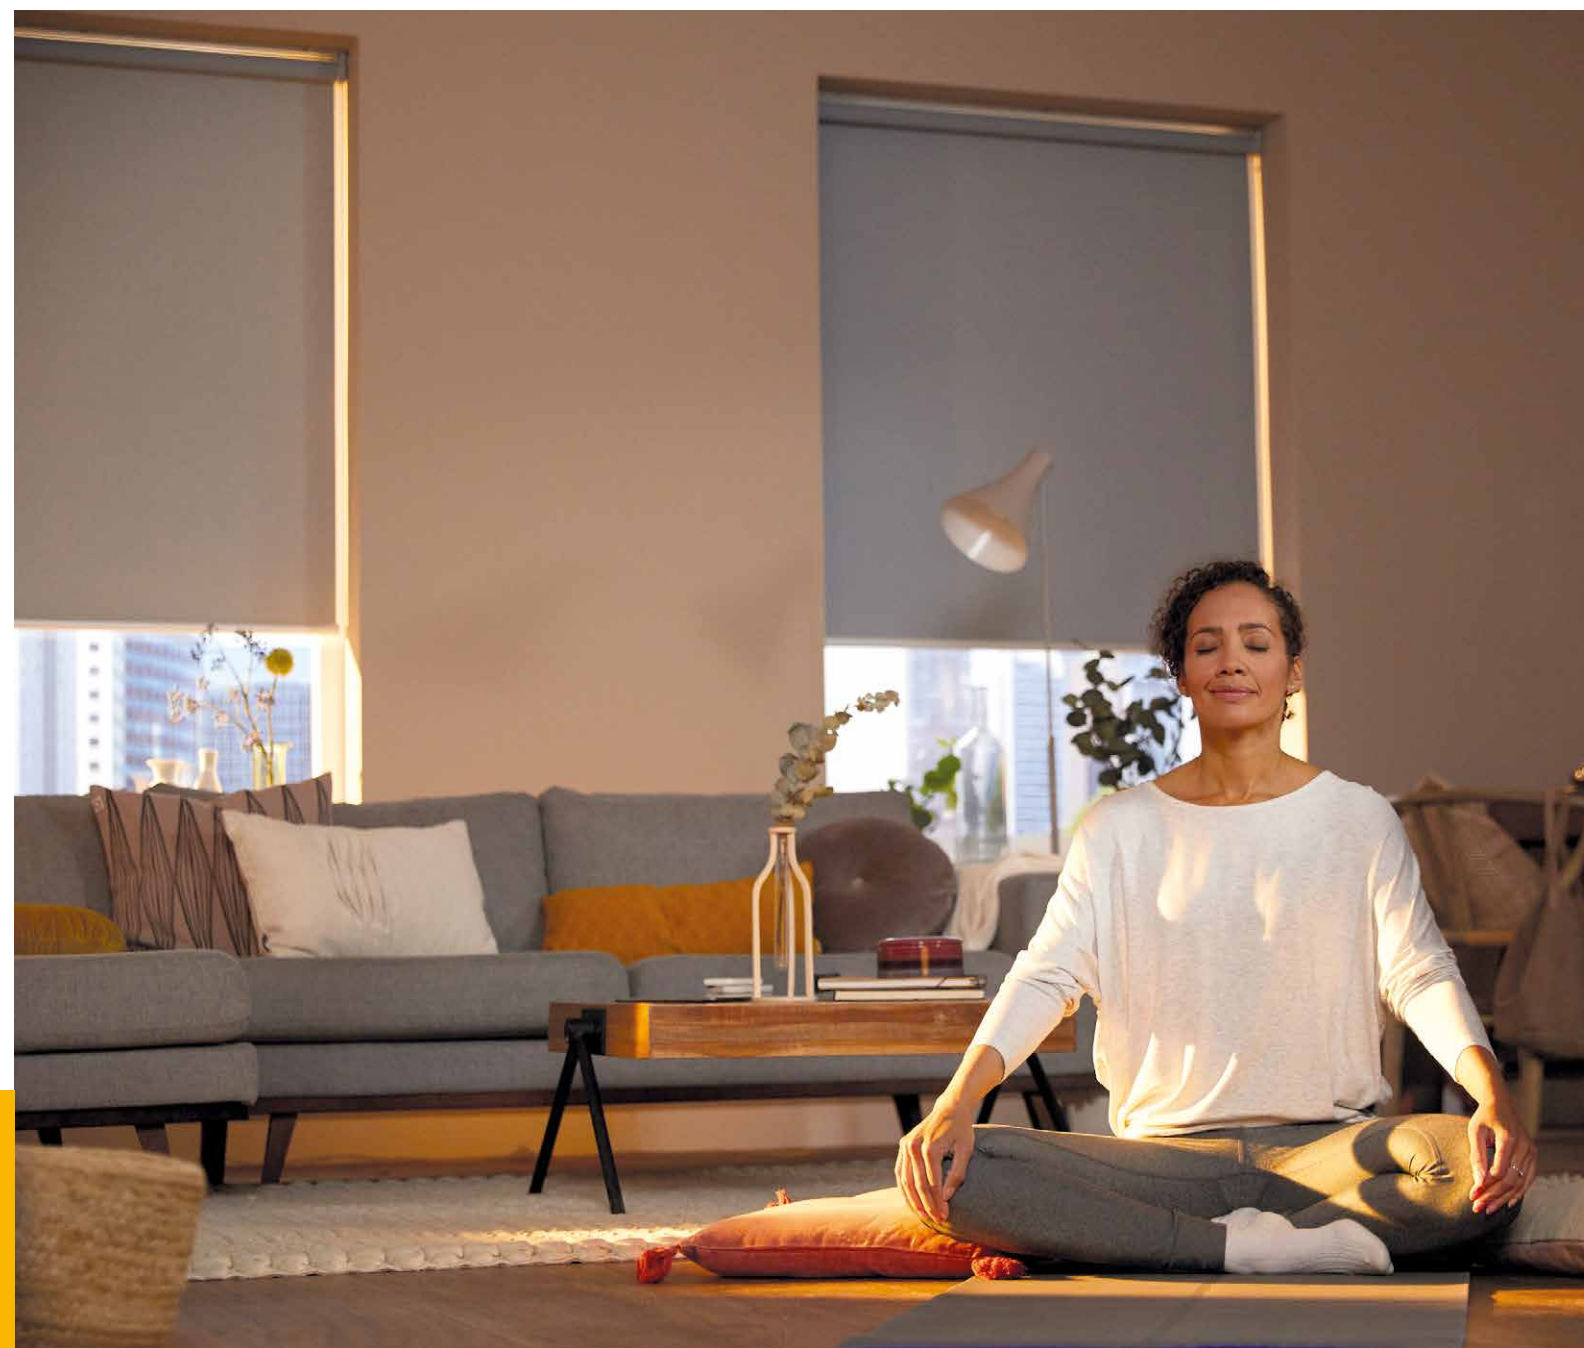

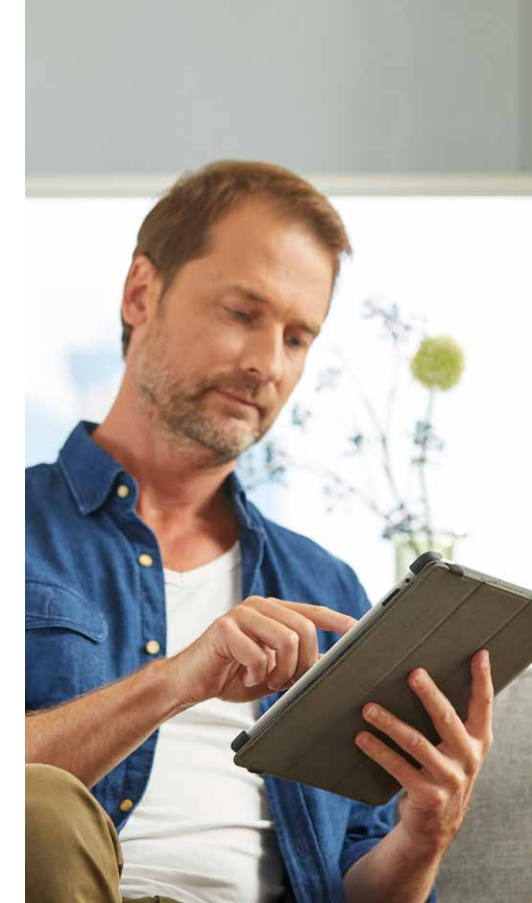

Many of our motors and accessories guarantee  
an industry leading level of premium silence.
